

Our EATOILS™ BIOSOLUTIONS
'GREEN' products include:-

BIOBLAST™ - Is a ready to use liquid product for surface cleaning, drain maintenance & septic and grease trap treatment.

BT200™ – Liquid cleaner with 'oil-eating microbes'. Removes oil stains, tire marks, etc. from hard surfaces including concrete & asphalt, yet safe for carpet & clothing.

SUPER SAFE-STEP™ - Amazing floor degreaser helps to prevent 'slip and fall' accidents – just mop 'n go! No rinsing!

SUPER FLOOR DEGREASER™ - Floor degreaser for slippery kitchen floors - removes the grease right before your eyes! Just mop 'n go! No rinsing!

SUPERFRESH™ – *Liquid deep cleaner & deodorizer for bathroom surfaces & floors* naturally eliminates organic sources of odor in minutes. Ideal for cleaning garbage disposal areas, bathrooms, pet areas, etc. It even removes odors from smoke damage!

SUPER CARPET-FRESH™ – *Liquid deep cleaner & deodorizer for carpets, & upholstery & fabric* that naturally eliminates organic sources of odor in minutes. It even removes odors from smoke damage!

SUPER DEGREASER™ Equipment degreaser & parts washing solution with 'oil-eating microbes' – unique formula is a cost saving solution for use in parts washers.

SUPERSEP™ – Liquid treatment for grease traps, drains, septic, etc. in busy restaurants and institutional use – *keeps lines running free and degrades all organic sewage - naturally.*

SUPERFLOW™ - Liquid drain opener *opens lines quickly & naturally*, cleaning without harsh chemicals.

SUPER SRV™ - Concentrated septic & RV maintenance treatment is a powerful dry product for maintaining a healthy, trouble free system.

SUPER GREASE EATER™ - Concentrated grease trap maintenance treatment is a powerful dry product for maintaining a healthy, trouble free system. This product is ideal for setting up the system after clean-out.

BACTERIAL PRODUCTS - Blended microbes and nutrients remediate or 'eat' a wide range of organic Hydrocarbons (fuel, oil, solvents) and other contaminants from contaminated sites (soil and water). Available in liquid, powder, and in 2-lb. Biosocks.

We are always working on new EATOILS™ products that can work wonders in a variety of applications. We appreciate the opportunity to work with you to find the optimal environmental product mix to solve your sanitary, cleaning, and waste management problems.

Our AGS™ graffiti removal products include:-

2+ GEL – FOR CONCRETE, STONE & MASONRY
221 GEL – FOR PAINTED SURFACES
221 LIQUID – FOR REFLECTIVE SIGNS
560 LIQUID – FOR PLEXIGLAS & PLASTICS
60 SHADOW REMOVER
SACRIFICIAL COATINGS – HELPS PREVENT REPEATED 'TAGGING'.

Our absorbent products include:

MULTIZORB™ - Granular absorbent is a reasonably priced, dust free, highly absorbent replacement for clay without the harmful silica content. Safe for landfill disposal.

SS100™ - All Natural **A**bsorbent – *Absorbs up to 8 times its weight in oils and it won't leach.* Ideal for 'oil on water' applications. Safe for landfill disposal. Available bagged, in booms & Spill Kits.
