

**Our EATOILS™ BIOSOLUTIONS  
'GREEN CLEANING' products:-**

**BIOBLAST™** - Ready to use liquid product for all floor & washroom surface cleaning, drain & grease trap treatment and maintenance.

**SUPER FLOOR DEGREASER™** -

Concentrated floor degreaser/cleaner helps to prevent 'slip and fall' accidents in high traffic kitchens & restaurants.

**SUPERFRESH™** – Concentrated liquid cleaner/deodorizer for all hard surfaces – counters, washrooms & floors in high traffic restaurants & hotels with an odor destroying formula that naturally eliminates organic odor in minutes. Excellent for cleaning and deodorizing garbage disposals, skunk, pet urine, smoke, etc. Ideal for mold & mildew, grout & tile.

**SUPER CARPET-FRESH™** –

Concentrated liquid cleaner for soft surfaces - carpets, fabric, & upholstery - with an odor destroying formula that naturally eliminates organic odor in minutes. Excellent for spot treatment, pre-spray, & extraction cleaning. Ideal for accidents, pet urine, smoke, etc.

**BT200™** – Concentrated liquid cleaner with 'oil-eating microbes'. Ideal for oil & grease stain removal from most surfaces including concrete, asphalt & soil.

**SUPER DEGREASER™ - cuts grease fast** - Concentrated liquid equipment degreaser and parts washing solution with 'oil-eating microbes' – unique formula is a cost saving solution for use in parts washers.

**SUPERSEP™** – Concentrated liquid treatment for grease traps, drains, septic, etc. in high traffic restaurants, hotels, & institutions – keeps lines running free and degrades all organic sewage - naturally.

**SUPERFLOW™** - Concentrated liquid drain opener quickly opens lines naturally, cleaning without harsh chemicals.

**SUPER SRV™** - Concentrated septic & RV maintenance treatment is a powerful dry product for maintaining a healthy, trouble free system.

**SUPER GREASE EATER™** -

Concentrated grease trap maintenance treatment is a powerful dry product for maintaining a healthy, trouble free system.

**BACTERIAL PRODUCTS – For soil & water treatment** -

Specially blended microbes 'eat' a wide range of organic materials & oils including most petroleum Hydrocarbons. Ideal for oil spills & brownfield remediation plus industrial water treatment. Available in a number of formulas together with unique nutrient blends.

We have many other EATOILS™ products that can environmentally bio-remediate in a variety of applications. The Biochemists at our manufacturing plants are always developing new problem-specific products based on the needs we discover in the field. We appreciate the opportunity to work with you to find the optimal environmental product mix to solve your sanitary, cleaning, waste management, soil and water treatment problems.

**AGS™ graffiti removal products:-**

**2+ GEL** – FOR CONCRETE, STONE & MASONRY

**221 GEL** – FOR PAINTED SURFACES

**221 LIQUID** – FOR REFLECTIVE SIGNS

**560 LIQUID** – FOR PLEXIGLAS & PLASTICS

**WIPES** – FOR PAINTED SURFACES OR PLASTICS

**60 SHADOW REMOVER** – FOR BRICK & MASONRY

**SACRIFICIAL COATINGS** – HELP TO PREVENT REPEATED 'TAGGING'.

**Our absorbent products include:**

**MultiZorb™** Granular absorbent is a reasonably priced, dust free, highly absorbent replacement for clay without the harmful silica content. A little goes a long way – 6 bags will pick up 55 US gals of oil. Safe for landfill disposal.
